*America's Best
Service Experience®*

More than 30 years' experience

We're more than just your neighborhood Air Conditioning Dealer; **Air Specialist, Inc.** has been serving the Greater Houston Area from Conroe to Galveston for more than 30 years as a "**Premier Service Provider.**" We offer an array of high-quality residential and light commercial Air Conditioning & Heating, Insulation, Duct Cleaning and Air Quality products and services to suit your needs and fit your budget.

We sell and service all major brands of quality Air Conditioning & Heating Systems, including Carrier, which features environmentally safe **Puron®** R-410A refrigerant that has taken the residential cooling industry by storm. We also offer a line of fine quality, energy-efficient home insulation products that will help you economize your energy costs.

Our Duct Cleaning Services are the best in the industry and we offer installation of quality mechanical or electronic Air Cleaners and Ultraviolet Lights to protect and enhance the Air Quality of your home.

Air Specialist, Inc. is proud to sponsor **Blue Dot®** Guardian Maintenance Agreements for extended protection and care for the life of your system. We also offer **Blue Dot® True Blue Value Financing** with low rates, easy qualifying and 6-12 months same as cash options (W.A.C.).

Financing Available

Replacement

For every \$100 spent to cool your home, each point in SEER increase lowers your monthly electric bill.

SEER (Seasonal Energy Efficiency Ratio) measures the efficiency by which air conditioners are rated. The higher the SEER number, the greater the efficiency, which translates into greater energy savings.

We specialize in installation and maintenance of Carrier products, which offers performance and comfort featuring **Puron®** R-410A refrigerant.

Air Conditioners

Carrier introduces you to **Custom-Made Indoor Weather**. Carrier's family of air conditioners offers your family quiet performance and cool confidence.

Carrier considers all factors affecting your indoor weather quality. They manufacture quality systems with efficiency ratings from **10 to 18 SEER** to reduce your energy costs while providing you with a clean, healthy environment.

Save up to 15% on your A/C and Heating costs by installing a 7-day programmable thermostat.

Improve the "Indoor Air Quality" of your home for a more healthy environment with an **Ultraviolet Lighting and Air Purification System**.

We feature:

- ◆ Top-of-the-line Electronic and Mechanical Air Cleaners
- ◆ State of the art Ultraviolet Lighting that reduce airborne contaminants
- ◆ Premium Duct Cleaning services

Furnaces

Keep warm every winter with a high-efficiency electric or gas furnace from Carrier that maximizes fuel use to provide outstanding quality and, at the same time, reduces your overall energy costs.

Combined with a digital, programmable thermostat, you can achieve unparalleled comfort throughout your home.

Insulation

Reduce your energy costs and expand the life of you're A/C and Heating systems with Air Specialists' premium line of thermally efficient, attic installed, blown insulation.

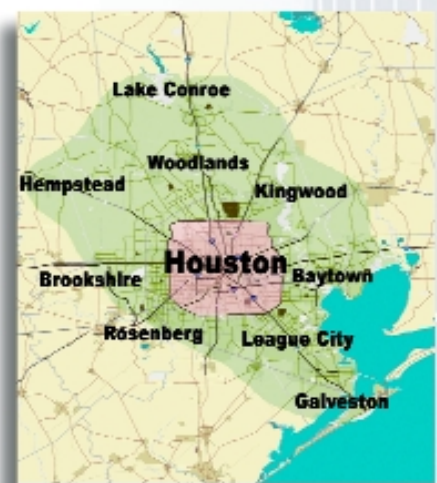

Blown Insulation creates a thermal barrier which keeps heat in during the winter and keeps heat out during the hot, humid summer months.

Be sure to ask us about financing options through our **Blue Dot® True Blue Values** with our low interest rates and easy qualifying.

Service

We've been servicing the Greater Houston Area for more than 30 years, offering unparalleled customer service and installation of high quality heating and air conditioning systems from Carrier to more than 30,000 satisfied customers.

We service the entire Houston metropolitan area, from Conroe to Galveston.

Because emergencies occur at the worst possible moments, Air Specialist, Inc. offers 24/7 around-the-clock service for your convenience, including holidays.

We fly to the rescue with our expanding fleet of service vehicles that are on call 24 hours a day.

We Will Finance You!

With approved credit, we can help you improve your family's comfort, year round!
